STATE OF MISSISSIPPI

COUNTY OF HARRISON

**AFFIDAVIT OF RON WERBY**

PERSONALLY CAME AND APPEARED BEFORE ME the undersigned authority  
in and for the County and State aforesaid, the within named, RON WERBY, who, after first  
being duly sworn by me on his oath, did depose and state the following:

1. My name is RON WERBY, and I am over the age of twenty-one (21) years.  
I was a Harrison County Sheriff's Department Deputy and Investigator for the  
Internal Affairs Department during 2004. I have personal knowledge of the

matters and facts contained in this Affidavit and I am competent to testify to the matters stated herein.

2. The attached General Order is a true and correct copy of General Order #65, which represents the Professional Standards Unit Policy of the Sheriff of Harrison County, which was in effect at the date of this investigation. General Order #65 was prepared in the regular course of business activity
3. On or about April 23, 2004 Steve Campbell, the officer in charge of the Harrison County Sheriff's Department Professional Standards Division, at the direction of Sheriff George Payne, instructed me to investigate a complaint made by former Harrison County Adult Detention Center Detainee Roderick Miller.
4. During my investigation, I reviewed Harrison County Deputy Coley Judy's April 17, 2004 Arrest Report; Harrison County Deputy Jerred Necaise and Deputy Catherine Pavolini's Disorderly Inmate Reports and all other records regarding Miller being booked into the Harrison County Adult Detention Center. I noted that Miller's booking photo showed scratches on his face.
5. Based upon my investigation, I determined that inmate Roderick Miller was arrested for Domestic Violence on April 17, 2004 and that Deputy Coley Judy arrested and booked Miller in on that date. During booking Miller became belligerent and unruly while in holding cell #5 and was physically restrained after refusing a verbal command by Deputy Necaise, I determined that Deputy Necaise used the proper force continuum on Miller after Miller became physically aggressive towards Necaise. Regarding Miller's complaint that he was not allowed to make a phone call, the policy in booking

is to not allow a phone call by an individual who shows violent behavior. In this case Miller was allowed a phone call after he calmed down and was deemed safe to be outside the holding cell and to have access to the phone. I further determined that Miller did not receive medical attention because he never requested it, and furthermore his injuries were superficial and that Miller did not comment nor complain to the classification officer about any injuries. I found that Miller was not given any migraine headache medication because the policy of the HCADC is to confiscate all medication upon entry into booking and that only the HCADC facility doctor may prescribe medication. Miller was not in the facility long enough to see a physician nor did he ask for one. I found no record indicating that any of Miller's property was given to anyone but Miller when Miller left the facility. I concluded that the allegations that Deputy Necaise or any other employee of the Harrison County Adult Detention Center violated any directive or General Order was unfounded.

6. I have attached hereto as **Exhibits "1-7"** relevant portions of the investigative file of case number IA2004-013, which involve the investigation into Plaintiff's booking at the Harrison County Adult Detention Center, and specifically the conduct of Deputies Necaise and Pavolini. More specifically, **Exhibit "1"** is the Internal Affairs Report dated April 23, 2004; **Exhibit "2"** is the Narrative Form completed by Deputy Necaise; **Exhibit "3"** is the narrative form completed by Deputy Pavolini; **Exhibit "4"** is the Narrative Report of Sergeant Rogers, dated April 18, 2004; **Exhibit "5"** is Plaintiff's Booking Photo; **Exhibit "6"** is Plaintiff's Inmate Personal Property Inventory

Form; and **Exhibit"7"** is the Offense Form completed by Deputy Judy.

7. At all relevant times I was an investigator with the Harrison County Sheriff's Department Internal Affairs and have first hand knowledge of the maintenance and/or storage of the attached records; and the attached records are true and correct copies of portions of the I.A. file case number IA 2004-13 involving inmate Roderick Miller; and the records were generated in the regular course and pursuant to the regular activities of and duties of the Internal Affairs unit, as well as the office of the Harrison County Sheriff's Department, and made at or near the time of the matters set forth by, of from information transmitted by, the person with knowledge of those matters.

I certify the above declaration is true and correct under penalty of perjury.

## HARRISON COUNTY SHERIFF'S DEPARTMENT PROFESSIONAL STANDARDS UNIT

File Name <b>Deputy Jerred Necaie</b>	Date of Report <b>04/23/04</b>	Date Assigned <b>04/23/04</b>
Type Investigation <b>Internal Investigation</b>	Case Number <b>IA2004-13</b>	

On April 23, 2004, Steve Campbell the OIC of the Harrison County Sheriff's Department Professional Standards Division, at the direction of Sheriff George Payne Jr., instructed Internal Affairs Investigator Ron Werby to investigate a complaint from a former inmate made to Attorney David C. Morrison.

On 04/23/04 Investigator Werby read a letter from Biloxi Attorney David C. Morrison questioning the treatment of his client Roderick Miller while he was being held at the Harrison County Adult Detention Facility. Mr. Morrison stated that his client was not allowed a phone call until the following day after his incarceration. He also alleged that Miller was told by Booking Deputy Jerred Necaie that he would not get a bond, that Necaie physically assaulted Miller, that Miller was denied access to medical attention after he arrived at the detention center and that Miller was not allowed to have his prescription medication that he used for his Migraine headaches which he had in his possession at the time of his arrest. The letter also stated that Miller's property was turned over to a third party against the wishes of Miller.

On 04/17/04 Deputy Coley Judy (41) filed a report after arresting Roderick Miller at 18049 Old Highway 49, in Saucier, Ms. The report stated that Judy responded to a domestic violence call at approximately 1618 hours at the above address. Judy stated that the complainant, Veronica Hahn, stated that her live-in boyfriend threw a glass of water in the face of her baby because he dropped Miller's telephone in the bathtub by mistake. Ms Hahn then stated she grabbed Miller to keep him from assaulting her son again and that Miller threw her to the bathroom floor and beat her in the face and scratched her body.

The report further stated that Hahn grabbed her baby and went into the baby's room and attempted to call for help on the telephone. Miller followed her into the baby's room and took the phone off of the hook so she couldn't call, Hahn then screamed loud enough, according to the report, for a neighbor to hear and he called the sheriff's department that then responded to the scene.

Deputy Judy stated that he noticed that Hahn had swelling to the side of her head and a "busted lip" as well as scratches to her body. Judy stated that Miller had scratch marks on his face and also on his body.

Deputy Judy arrested Miller for Domestic Violence/ simple assault and booked him into the Harrison County Adult Detention Center at 1821 hours.

On 04/18/04 Deputy Jerred Necaise filed a "disorderly inmate" report. The report stated that Inmate Roderick Miller was booked in on 04/17/04 and taken to the shower and Necaise had Miller dress in county issued inmate clothing. Necaise noted that Miller had several scratches on his neck, chest, and facial area from a previous altercation prior to his arrest. Necaise further stated that Miller was placed in holding cell number five and became very unruly and stated banging on the cell door glass. Deputy Necaise, according to his report, advised Miller to stop hitting the window. When Miller refused to stop being unruly Necaise advised Booking Deputy Pavolini (280) to stand at the door while Necaise entered the cell to address Miller's unruliness.

Necaise stated that he advised Miller to step back away from the door, according to the report, Miller refused and advanced toward Necaise, Necaise then stated that he placed an open palm strike to Inmate Miller's chest and Miller then fell back onto the bench in a seated position and grabbed Necaise's arm. Necaise then took Miller down to the floor with an arm bar and held him there while Miller continued to resist. Necaise stated that he applied a wrist lock hold on Miller's left arm and restrained him on the floor advising him to stop resisting. Miller continued to resist and kick and screamed repeatedly. Necaise further stated that Miller calmed down enough after several minutes and stopped his resistive behavior. Necaise then exited the cell and Miller did not create any further problems.

On 04/18/04 Deputy Catherine Pavolini wrote a "disorderly inmate" report that supported Deputy Necaise's report confirming Inmate Miller's behavior and the ensuing use of force on Miller.

On 04/23/04 Investigator Werby reviewed all the files on Inmate Miller and noted that Miller's booking photo showed scratches on his face when he was booked in. Furthermore, Deputy Coley Judy took photos of Miller's injuries and entered the film into property, the films have not been developed so it is not known if they show any more injuries than the booking photo. It was further noted that Deputy Necaise noted Miller's injuries when he was changing into his county issued clothing.

It was also noted that in the Custody Report that Judge Ladner advised that no bond would be set until his initial appearance which turned out to be the next day.

It was also noted while reviewing all of the reports, including a visit to the medical facility, that at no time did Miller request medical attention. Miller did advise the classification officer that he used Migraine medication but did not request any medication at any time nor did any record indicate that he needed medical attention. The booking photo showed only minor scratches to Miller's face.

#### **FINDING AND CONCLUSIONS**

It is found that Inmate Roderick Miller was arrested for domestic violence on 04/17/04 and that Deputy Coley Judy arrested and booked Miller in on that date. Miller became belligerent and unruly while in holding cell #5 and was physically restrained after refusing a verbal command by Deputy Necaise. It is further found that Deputy Necaise used the proper force continuum on Miller after Miller became physically aggressive toward Necaise.

In regards to the phone call complaint by Miller, it was found that booking deputies commonly will not allow a phone call to an individual that shows violent behavior because they don't want to risk having an inmate get violent outside the cell. Miller was allowed a phone call after he calmed down and was deemed safe to make a phone call.

It is further found that Miller did not receive medical attention because he never requested it, and furthermore his injuries were just superficial and indeed he did not even comment on them during his classification nor complain to the classification officer about his injuries.

It is further found that Inmate Miller was not given his Migraine medication because it is the policy of the facility to confiscate all medication upon entry into the facility. Only the facility Doctor may prescribe medication and Miller was not in the facility long enough to see a physician nor did he ask for one.

It is also noted that Miller's attorney states that Miller was arrested with a first offense Domestic Violence charge. In checking Miller's record it was determined that he was arrested in 1996 for domestic violence/simple assault; in 1998 for assault; 1999 for stalking and disorderly conduct; in 1999 again for stalking; in 2000 for disturbing the peace; and finally this last arrest for domestic violence/ simple assault.

It is finally found that there is no record to indicate any of Miller's property was given to anyone but Miller when he left the facility.

It is concluded that any allegation that Deputy Necaise or any other employee from the Harrison County Adult Detention Center violated any directive or general order is **UNFOUNDED**.
